This project consists of 5 interconnected blocks on five levels spread over 10500 sqm of office area each with open spaces and terraces ideal for large companies wishing to relocate their office space. Private floors, serviced offices, flex space and retail all under one roof. At street level, this establishment hosts several retail outlets, restaurants, cafe's, a fitness centre, a bar, a barbershop, and a spa. Each block has 3 lifts for tenants and services...

Find a home that suits your lifestyle.
